MOTHER HEN CRUISE
SATURDAY & SUNDAY,
AUGUST 28th & 29th, 2010

EVENT HISTORY: The Mother Hen Cruise began as a joint effort organized by J.P. and Betty Petolas (power boaters) and Ted Bowser (sail boater) and took the form of a combination cruise and sailboat race. The powerboaters offered to transport supplies so that the sailboats, some small in stature, could race up to Carillon Island. The trip upriver was followed by a day on the beach, a corn boil and dinner and a pleasant evening of rafting together offshore. This has become a family affair so bring the kids, pack your dinner and hibachi and meet us at the Club for a **14:30** departure.

LOCATION: The beach is located on the North East side of Carillon Island. As usual, we promise to leave the beach cleaner than when we arrived so, everyone, please pitch in.

SUGGESTED SUPPLIES:

Blankets	Bug Spray
Hibachi & Charcoal	Beverages
A Tender (Dinghy)	Rain Gear
Food	Warm Jackets
Musical Instrument	Flashlights
Plastic Cutlery, Plates	Glasses
