## INTRODUCTION

The OPTI Race Team program is a B.Y.O.B. (Bring Your Own Boat) program open to OPTI sailors who have obtained their White Sail Levels I ~ III and who would like to race.

The focus will be on practicing acquired skills, boat and sail tuning, learning racing tactics, wind strategy, racing rules and theory.

These young sailors will be participating in regattas and will be accompanied by their coach.

Our goal is to improve the developing athlete's boat handling skills while they gain greater confidence in competitive situations. All sailors in the program are expected to participate in Club racing. Parents are part of the team and are expected to chaperone and/or tow trailers for regattas.

## **OPTI RACE TEAM PROGRAM EQUIPMENT POLICY**

### **Lost Or Damaged Boats, Parts And Equipment:**

Each sailor is responsible for making sure his/her boat is well maintained. Boats will be checked in the morning and at the end of the sailing class day by an Instructor. Sailors must report any loss or damage immediately to his/her Instructor. If, through carelessness and/or irresponsible action, boats and equipment are damaged or lost, the sailor and his/her parents will be held accountable.

The Instructor concerned will make out a written report. The Head Instructor will phone the parent to report the incident. He will then add to the Instructor's report an estimate of the cost of repair or replacements required and forward a copy of both these reports to the Club Manager. The Manager will mail a copy to the parent and charge the cost to the member's account.

I agree to abide by the Equipment Policy and accept financial responsibility for my child's participation in the 2008 OPTI RACE TEAM Program.
