**\*\*HYC Swim Team Parent Commitment\*\***

The Hudson Yacht Club Swim Team has been fortunate over the years to have the outstanding support of the parents. Many people are needed to run a swim team smoothly and successfully. It is the team expectation that each family will volunteer to work at a minimum of 2 meets during the course of the season. Parents must meet the minimum volunteer requirements in order for their children to participate in the swim meets. Parents may either sign up or be assigned positions and shifts. We will do our best to accommodate requests for particular positions and/or shifts. The requirement is per family not per swimmer.

**All families must volunteer for one (1) shift at one of the home meets, AND one (1) shift at one of the away meets.**

Home Meet (Volunteer for **one** home meet your child is participating in)      HYC July 6       HYC July 20       HYC August 10
