COURSE

Total race distance: 6.7 nautical miles

Start

HUD Port
 H87 Port
 HJ12 Starboard
 HAY Port

Finish

FINISH

Finishing mark: abeam to Port channel mark H123 north of Carillon Island.

The first boat to pass abeam of channel mark H123 shall be the winner and shall record the finishing sequence of all other competitors.

After finishing all participants are invited to raft up off the beach on the north east side of Carrillon Island.

Please register via the Club office
so that we may confirm your starting time.

MOTHER HEN CRUISE

**SATURDAY,
JULY 31st, 2021**

EVENT HISTORY: The Mother Hen Cruise began as a joint effort organized by J.P. and Betty Petolas (power boaters) and Ted Bowser (sail boater) and took the form of a combination cruise and sailboat race. The power boaters offered to transport supplies so that the sailboats, some small in stature, could race up to Carillon Island. The trip upriver was followed by a day on the beach, dinner and a pleasant evening of rafting together offshore. This has become a family affair so bring the kids, pack your dinner and hibachi and meet us at the Club for a **14:30** departure.

LOCATION: The beach is located on the North East side of Carillon Island. As usual, we promise to leave the beach cleaner than when we arrived so, everyone, please pitch in.

SUGGESTED SUPPLIES:

Blankets	Bug Spray
Hibachi & Charcoal	Beverages
A Tender (Dinghy)	Rain Gear
Food	Warm Jackets
Musical Instrument	Flashlights
Plastic Cutlery, Plates	Glasses
Ice (available at the Bar)	Garbage Bags

NOTE: Children under the age of 18 must be supervised by a parent or guardian.
